Food Pantry Shopping List

The Squirrel Hill Community Food Pantry strives to provide a wide variety of healthy food including fresh produce to our clients. Even so there are a number of foods that form a staple backbone of our operation. Please remember the Pantry when buying items in bulk or when you spot a “Buy one, get one free” – consider keeping one for your family and donating the other.

While all donations are greatly appreciated, below are some of the items we need most:

- Canned Fruits and Vegetables _____
- Cold Cereal _____
- Pasta _____
- Peanut Butter _____
- Tuna _____
- 100% Fruit Juice _____
- Bar Soap _____
- Disinfecting Wipes _____
- Diapers _____
- Laundry and Dish Detergents _____
- Shampoo _____

While the Squirrel Hill Community Food Pantry remains the only pantry in Southwestern Pennsylvania to provide kosher food, we now will provide non-kosher food as well. This will allow us to accept all food donations and to stretch our dollars further. For those who are kosher, the Va’ad HaRabanim of Pittsburgh will continue to advise the Pantry with respect to the kosher food certification necessary to properly serve clients who keep kosher. The Pantry continues also to serve those outside the 15217 zip code area who qualify for food assistance and require kosher food.

Hunger shouldn't be an option
